Don't miss out on this amazing opportunity to be under 15 minutes to the beach AND downtown Charleston. This James Island home is at the front of the neighborhood for easy access and has a fenced in yard backing up to a Carolina marsh and small creek. Enjoy the peace and wildlife from the large screened in back deck. Inside you'll find soaring ceilings and the master suite on the main floor. There is a formal dining room that could be an office or flex room. The great room has a wood burning fireplace and opens to the breakfast area, kitchen and tucked away is the laundry room. Upstairs you'll find 3 additional bedrooms PLUS an oversized bonus room which has large storage closets on both sides. The HOA is optional here so bring your boat and come enjoy the Salt Life.
